Programming Summary:
- Inadequate public restrooms
- Inadequate lobby and concession space
- Inadequate locker and referee areas
- Lacking accessible access to 2nd level spaces
- Lacking permanent accessible seating for game viewing

Conclusion:
Option B is the preferred option based on:
- Community campus plan as part of Blazing Star Center
- Core of activity
- Proximity to lodging, restaurants & retail for event activities
- Access to Highway 35
- Ability to build in phases

Existing: 94,814 gsf
Proposed (2030): 106,876 gsf
