CITY OF ALBERT LEA
PARKS AND RECREATION ADVISORY BOARD

November 2026 Meeting
11/16/2026, 5:30 pm
City Hall – Council Chambers

1. CALL TO ORDER:
   - Roll Call
   - Adopt Agenda

2. APPROVAL OF MINUTES:
   - October 19, 2026 Meeting Minutes

3. PUBLIC ITEMS:

4. NEW BUSINESS:
   - Grizzly Field Welcome Board Project Request Application
   - Proposed Warming House Schedule 2026-2027 Season
   - Advisory board member movement for 2027
   - Approval of 2027 Advisory Board Meeting Calendar

5. OLD BUSINESS:

6. STAFF REPORT DISCUSSION:

7. BOARD MEMBER ITEMS:

8. ADJOURNMENT:

MISSION STATEMENT
"To provide quality recreational opportunities and to plan, acquire, develop and maintain attractive and safe parks and facilities that enhance the quality of life in the community of Albert Lea."

PARKS & RECREATION
ADVISORY BOARD
MEETING MINUTES

October 19, 2026 5:30 pm
City Garage

Members Present:
Amy Leach
Wende Taylor
Kent Rahn
Whitney Sauer
Ted Herman (Ex-Officio)

Members Absent:
Joe Staloch
Tom Jones
Therese Salazar

Staff in Attendance:
Cathy Malakowsky, Engagement and Enrichment Director
Dylan Hanson, Recreation Manager
Ben Bangert, Parks Superintendent
Dani Bakken, Recreation Coordinator
Afton Wacholz, Recreation Administrative Assistant

Others in Attendance:
Jill Bangert

Call to Order:
The meeting was called to order by Amy Leach at 5:31pm.

Adopt Agenda:
Wende Taylor made the motion to approve the agenda for tonight's meeting and Kent Rahn seconded the motion. The board voted in favor of said motion 4-0. Motion declared passed.

Approval of the Minutes:
Wende Taylor made the motion to approve the minutes from the September 21, 2026 meeting and Kent Rahn seconded the motion. The board voted in favor of said motion 4-0. Motion declared passed.

Public Items:
None

Old Business Items:
None

New Business Items:

Introduction of Dylan Hanson, new Recreation Manager

Dylan's first day was Monday, October 19. Originally from Montana, Dylan most recently served as the Director of Rentals, Facilities and Operations at Yale University. Albert Lea's open Recreation Manager position sparked interest for Dylan as he was looking to get back in to more of the recreation rather than strictly facilities management. The move to Minnesota is bringing Dylan back a bit closer to home. Dylan looks forward to working with the board and staff in Recreation to continue to build off of what we already have established.

Snyder Field Scoreboard Project Request Application – AL Youth Baseball

The Albert Lea Youth Baseball Association submitted a project application to install five new electronic scoreboards at Snyder Fields. The association is partnering with the Metro Baseball League to fund this project, including the purchase of the scoreboards for roughly $24,000 (Metro League contributing $12,000 and AL association funding the remaining balance). They will also be pursuing a donation for the electrical work that will be needing to supply power to all five of the scoreboards at each field.

The new scoreboards would be mounted on the existing scoreboard structures. The scoreboards would be operated from phones/Ipads, etc. All user groups of the facility would be able to use the scoreboards.

The association is still working out the electric needs.

Kent Rahn inquired about the warrantee, which on the quote is does state there is a 5-year limited warrantee. Ted Herman asked who would be responsible for the regular maintenance and upkeep of the boards. If someone goes wrong, who will initiate that maintenance need. The board agreed they would need to see more about the electrical requirements as well as a plan for the maintenance.

There was no further discussion or action on this item.

Grizzly Field Project Request Application – Albert Lea Rugby

An application was submitted regarding the placement of a Welcome Board/Kiosk near the entrance to Grizzly Field as well as the potential for adding light poles at the field. There was incomplete information on the application as it relates to the electrical needs and subsequent maintenance needs for these additions. City staff is waiting on a follow-up application that will provide the request information needed prior to a board vote.

Recreation programming volunteer opportunities

Recreation is partnering with the CVB, 112 on Broadway and the History Center of Freeborn County for the Oktoberween event again this year at the fairgrounds. Recreation will be providing kids activities on Saturday October 24 from 1-6p. There will a bounce house, games, crafts, bingo and yard games. We will also be hosting Trick or Treating in the Village at the History Center on Saturday October 31 from 12:30-3p. If you are interested in volunteering at either of these events please reach out to Dani Bakken for more information.

Staff Report Discussion:
None

Staff Updates:
Ben shared an update on the planting of trees around the Inclusive Playground this fall to provide shade in the area, specifically over benches. 40 trees will be planted.

Cathy provided an update on the Song Bird Trail project. The 1st of 2 phases is currently under construction around where the path will cross Clark St. Curbs have been cut and new black top put down.

Board Member Items:

None

Adjournment: Kent Rahn made a motion to adjourn the Park Board meeting and Whitney Sauer seconded the motion. The board voted in favor of said motion 4-0. Motion declared passed. Meeting adjourned.

Respectfully submitted,

_____
Afton Wacholz
Parks and Recreation Advisory Board Secretary

Approved:

_____
Amy Leach
Park & Recreation Advisory Board Vice-Chair

November Parks and Recreation Department Updates from Staff

Recreation: Report provided by Dylan Hanson and Dani Bakken;

- Fall Adult Volleyball League completed their season with an end of the year tournament on November 9. The team, Hit Happens, which is a new team to the league took home the tournament championship. The winning team was awarded a $150 green mill gift card to celebrate their season together!
- Recreation participated in Oktoberween on October 24 and October 31 at the Freeborn County Fairgrounds.
    - On Oct 24 provided kids activities that included: bounce house, Halloween bingo, a magician, face painting, horse drawn wagon rides, and a kid friendly haunted house. The overall participation in the event was good and there was a lot of positive feedback from participants.
    - On October 31 Recreation staff hosted Trick or Treating at the Village – on the grounds of the History Center of Freeborn County. There were 13 businesses/organizations who participated and over 400 attended the event.
- Recreation hosted a Halloween Rock on Ice at the City Arena on Friday, October 30 from 7-9p. There were over 180 people who participated in the event. The costume contest was a big hit! Martins Cycling and Fitness donated 2 sets of skate blade covers and 2 tickets to the Austin Bruins game for the contest award prizes.
- Upcoming events with Recreation:
    - Ugly Sweater Skate on December 20 from 4:30-6p at the City Arena. $5 admission includes skate rentals if needed.
    - Santa Mailbox – Beginning November 30 through December 19 letters to Santa can be dropped off at our special Santa Mailboxes located at the City Arena – Recreation Office and City Hall – top floor near the library. Be sure to include a return address so Santa knows where to mail back a letter!
- The Winter Fun Guide is completed and currently being prepared at the printers. The guide is anticipated to hit mailboxes very soon! Be sure to check out all the upcoming winter events/activities/programming included in the guide including; Learn To Skate, Adult Volleyball Winter League, Fitness Class with Annie, Young Athletes, Little Friends/Big Skills, Young Athletes: What comes next Sports! and a candle light walk at the State Park on January 22.

Parks: Report provided by Ryan Hajek and Ben Bangert;

- Awaiting DNR Grant Board decision for EAB Grant application for $40,500.00 to remove and replant 31 park and boulevard Ash Trees. The removals would be contracted by Albert Lea Tree Service and the replanting portion would be completed by the Parks Dept. Both funded with grant contributions.
- Fall preparations include: Leaf mulching, more mowing…, winterize equipment, woodchips for playgrounds, downtown pots- emptied and change seasonal decorations and banners, install and make repairs to outdoor hockey rinks.

- Christmas decoration update- Adding 15 refurbished pole decorations. Candy Canes and Stockings- Bridge Ave. Jiffy Lube towards McDonalds- 15 poles.
- CVB- Purchase two light projectors for Large Spruce in New Denmark Park. **Experiment**- New lights on old Christmas tree.
- Dual fireplace repair project at Edgewater Park – open pavilion – Likely selecting Jerry Raetz Masonry, LLC to repair and replace liners for both fireplaces.

City Arena: Report provided by Afton Wacholz and Josh Heilman;

- Facility update**s –**
    - Project is pretty well wrapped up with some lingering needs for additional training on the well and refrigeration system.
- Events **-**
    - Waldorf University D2 team will have home games on Dec 5 at 7p and Dec 6 at 12:30p against Minnesota Duluth. The team will then be on break until January 2027.
    - Albert Lea Youth Hockey hosted their first home tournament for Bantam C November 6-8. The Albert Lea team won the championship! The Bantam A home tournament is this weekend November 13-15, followed by Peewee A November 20-22, A Squirt December 4-6, U10B2 December 11-13 and U10B1/U12 December 18-20. District single games fill up the remaining ice slots during the weekends.
    - High school girls started their season on November 2 and will have their first home game of the season on Monday, November 16 5:30/7:15p. Boys high school team is busy with captain's practices to prepare for their upcoming season beginning November 16.
- Other events –
    - Weekday stick and puck will be held most Mondays and Wednesdays from 11a-12p and weekday public skate will be Mondays and Wednesdays from 12-1:30p. Public skate is held on Sunday evenings from 4:30-6p. This schedule is subject to changes or varying times due to other ice scheduling conflicts. Weekday public skate/stick and puck and public skate monthly calendars can be found on our website or Facebook page.
    - Day after Thanksgiving public skate on November 27 will be held from 1-3p.
    - Ugly Sweater Skate event will be held on Sunday, December 20 from 4:30-6p.
    - Weekday public skate/stick and puck and public skate monthly calendars can be found on our website or Facebook page.

Aquatic Center: Report provided by staff;

- Staff is working with the YMCA to offer a local lifeguard certification course to assist in the recruitment of potential staff for the summer of 2027.
- Staff continue to work through an improvement plan for the upcoming 2027 season.

Senior Center: Report provided by Afton Wacholz;

- Trips -
    - None
- Programs/Events –

- The 80's Brunch was held on October 23 and had about 70 participate.
- Christmas Party at the Edgewater Bay Pavilion December 11th 11:30a.
- Coffee with a Cop first Wednesday of the month at 9:30 a.m.
- Memory Care Café first Monday of the month at 2 p.m. and third Wednesday of the month at 2 p.m.

Marion Ross Theater: Report provided by Afton Wacholz;

- Upcoming events –
  - ACT's 61st season tickets are now on sale!
  - Disney's Frozen – The Broadway Musical will be held December 3-13. A sensory friendly show will be held on Wednesday, December 9th at 7p.
  - The Dawson Family Christmas event will be held on December 19th with shows at 3p and 6p.

Other: Report provided by Cathy Malakowsky;

- Freeborn County recently received confirmation that the Songbird Trail will receive is first grant – for $1.97 million – from the Greater Minnesota Regional Parks and Trails Commission. The grant will go toward building 3.2 miles of trail from County Road 74 to County Road 14, including under I-90. The total cost of this phase is $2.4 million with matching funds needed for the remaining $430,000. Construction would like occur in 2029.

**** 2026 Top 5 Project Updates:**

Developing the Songbird Trail – see Cathy's update

Completing the Miracle Field – no update

Mini Golf Course – no update

City Beach marina – no update

Security Cameras for Parks and Facilities – no update

City of Albert Lea Community Project Request Form

City Arena, 701 Lake Chapeau Dr., Albert Lea, MN 56007 • 507-377-4370

Parks and Recreation Mission Statement

To provide quality recreational opportunities and to plan, acquire, develop and maintain attractive and safe parks and facilities that enhance the quality of life in the community of Albert Lea.

How to apply

Save this form and complete it on a computer, or print a hard copy and complete it by hand. Then submit it by:

- Emailing it as an attachment to awacholz@ci.albertlea.mn.us
- Bringing a hard copy to the Recreation Office, 701 Lake Chapeau Drive, or
- Mailing a hard copy to the City of Albert Lea, Attn: Recreation Department, 221 E. Clark St., Albert Lea, MN 56007

Supporting Parks and Recreation Mission *

We feel the addition of the welcome board at Grizzly Field directly supports the Parks and Recreation mission by providing an attractive addition when pulling up in front of the park, to be able to be well informed of the use of the field, upcoming events, etc. We believe this directly enhances quality by more community members being informed and being able to come out and support youth and adult sporting events happening at the park.

Briefly describe how the project supports the Parks and Recreation mission and vision.

PROJECT DESCRIPTION

Project Title

Welcome Board

Select a title that provides a short description of the project.

Project Overview *

See attached

Describe the proposal including a general description of the concept.

Desired Project Location *

101 Eddie Cochran Street, Albert Lea MN 56007

Provide the desired location of the project.

Intended Users *

Youth Rugby, K-5th, High School and Middle School Rugby, Mens Rugby
Youth Football 5th & 6th grade, Mens Football

Describe the members of the public who would use and benefit from the proposal (early childhood, youth, teens, senior citizens).

Timelines *

We would be appreciative of any timeline.

Desired project start date, time needed to begin, duration of project, etc. Describe any specific events or grant deadlines that need to be considered in the timeline.

Committed Partners *

The rugby club alone had over 37 companies provide some level of sponsorship in 2026, we are certain depending on the level of financial need or supplies we would be able to identify partners for this project.

List any committed partners and attach any letters of support.

SUPPORTING THE MISSION

Health and Safety *

See attached

Describe how the project improves health and safety in the parks system.

Recreation *

See attached

Describe how the project adds or improves a recreational offering in Albert Lea.

Duplication/Conflict with Current Amenities *

We have no information to support that this would be a duplication for the field, there is no signage currently.

Describe any other amenities in our community that are of similar nature to the proposed project, or conflicts with existing amenities or programs. For example, would this project replace an existing amenity?

Benefit to the Public *

See attached

List examples of how this project will improve inclusiveness and enhance the quality of life in our community.

Natural Resource Preservation *

See attached

Describe how the project impacts natural resources such as plants, wildlife, and water.

Design and Aesthetics *

Description and visual attached.

Describe the design and visual impact of the project. Attach any supporting renderings or images.

MAINTENANCE AND OPERATIONS

The City of Albert Lea relies on partnerships to improve, maintain, and operate park improvements.

Maintenance Plan *

The club will promptly report maintenance, safety, or damage concerns to the appropriate City department. The club does not believe this would add any additional maintenace to the city's workload.

Describe the proposed maintenance, repair, and restoration plan for the project.

City Maintenance *

We would not have anything different to add than the above statement about maintenance.

Describe how this project will impact the general maintenance needs and the expectations from City staff to perform these duties.

Operations *

See attached.

Describe the operations plan for the project such as staffing, daily oversight, reporting, marketing, etc.

Attach any additional project drawings, site plans, maps, or photos on a separate sheet.

FINANCIAL INFORMATION

Project Budget/Funding Sources *

The club would cover the cost of the sign, we would propose this sign: https://www.uline.com/Product/Detail/H-2857CEDAR/Outdoor-Furniture-and-Equipment/Message-Center-Sign-with-Posts-Cedar?pricode=WB2859&utm_source=Bing&utm_medium=pla&utm_term=H-2857CEDAR&utm_campaign=Facilities%2BMaintenance&utm_source=Bing&utm_medium=pla&utm_term=H-2857CEDAR&utm_campaign=Facilities%2BMaintenance&ad_group_id=1250146053393079&msclkid=caad43a668e312cd6f9b29702e23e256

Installation could be done by the city or the club depending on what the city would prefer.

Provide budget details, describe funding sources and uses of funds, and attach a full project budget on a separate sheet.

Economic Impact *

This board would allow for us to continue to recognize sponsors which helps all the teams using the field continue to gain traction with local employers and community partners. This also helps community members see what is upcoming on the field and when they can come and support the teams.

Describe the direct or indirect financial benefit to the City of Albert Lea. Examples include: payment of rent or fees, etc.

Once complete, submit this application form by:

- Emailing it as an attachment to awacholz@ci.albertlea.mn.us
- Bringing a hard copy o the Recreation Office, 701 Lake Chapeau Drive, or
- Mailing a hard copy to the City of Albert Lea, Attn: Recreation Department, 221 E. Clark St., Albert Lea, MN 56007

THANK YOU!

City of Albert Lea Community Ed Project Request Form

Project Overview

The youth rugby and youth football club, respectfully requests the City's partnership in improving Grizzly Field through the installation of a permanent community welcome board.
The welcome board would provide a central location for:

- Announcing upcoming games, tournaments, practices, and community events
- Promoting club sponsors and community partners
- Sharing public notices and community announcements
- Providing information about youth and adult recreation opportunities
- Highlighting volunteer opportunities and club activities

This project would improve the appearance, functionality, safety, and overall community value of Grizzly field while supporting continued use by multiple local sports organizations.

Health and Safety
The project would provide several health and safety benefits to park users and the surrounding community.

Better communication and public awareness
The welcome board would provide a reliable location for sharing timely information about events, schedules, safety reminders, registration opportunities, and community programs. This would help park users stay informed and support better coordination among clubs, families, and the City.

Benefit to the Public
The proposed improvements would benefit a broad group of park users and residents. The field is used or anticipated to be used by:

- Youth football teams
- Four youth rugby clubs
- A men's rugby club
- A men's football team
- Coaches, referees, volunteers, and spectators
- Residents participating in community events and recreational activities

The welcome board would benefit the public by providing a visible and accessible source of information about events, club programs, sponsors, volunteer opportunities, and community announcements. It could also promote responsible park use and communicate information related to field closures, weather conditions, and scheduled activities.

Natural Resource Preservation

The project would be designed to improve the existing developed recreational area without requiring significant expansion into undeveloped space. By making better use of the current rugby field, the project can support community recreation while preserving surrounding natural areas.

The club and City could consider the following measures:

- Locating poles and the welcome board within or adjacent to existing developed areas
- Minimizing ground disturbance during installation
- Protecting existing turf, trees, drainage systems, and landscaping
- Restoring any disturbed areas after construction
- Selecting materials that are durable, weather-resistant, and easy to maintain

Design and Aesthetics

The project would be designed to complement the existing park and surrounding community.

The welcome board would be designed as an attractive, durable, and highly visible feature. It could include:

- The name and logo of the rugby field or park
- A durable display area for event information
- Space for sponsor recognition
- A weather-resistant enclosure or lettering system
- A design that complements existing park signage
- Clear, readable text and accessible placement

Operations

The project is expected to operate within the existing Parks and Recreation structure. No significant change to daily City operations or staffing is anticipated.

The anticipated operations plan includes:

- Clubs and users reporting maintenance or safety concerns to the City
- Parks and Recreation continuing its regular grounds maintenance schedule
- The welcome board being updated by authorized club or City representatives, whichever the City would prefer
- Event information and public notices being reviewed for accuracy and appropriateness

The participating clubs would help promote events, programs, registration opportunities, sponsors, and community announcements through the welcome board and their existing

communication channels. Clubs would also encourage users to respect park rules, maintain clean facilities, and report damage or unsafe conditions.

Project Budget/Funding Sources

The club would cover the cost of this sign

https://www.uline.com/Product/Detail/H-2857CEDAR/Outdoor-Furniture-and-Equipment/Message-Center-Sign-with-Posts-Cedar?pricode=WB2859&utm_source=Bing&utm_medium=pla&utm_term=H-2857CEDAR&utm_campaign=Facilities%2BMaintenance&utm_source=Bing&utm_medium=pla&utm_term=H-2857CEDAR&utm_campaign=Facilities%2BMaintenance&ad_group_id=1250146053393079&msclkid=caad43a668e312cd6f9b29702e23e256

Installation; the recommended in ground depth is 34" the club would haul in their own equipment and complete the proper install.
