SUMMER ENGINEERING INTERN

The City of Albert Lea is accepting applications for a summer intern in our Engineering Department. General duties include assisting in a wide variety of municipal engineering related field and office work including but not limited to construction staking, construction observation, GIS data and base mapping, project development, traffic counts, sidewalk inspections and airport maintenance. Consideration will be given to those applicants currently enrolled in an accredited college or university civil engineering program. Employment application is available at City Hall or online at https://www.cityofalbertlea.org

$13.50 - $16.00/Hour Depending on Qualifications

Applications and resume can be mailed or dropped off to the City of Albert Lea, Attn: Human Resources, 221 E. Clark St., Albert Lea, MN 56007 by March 15, 2021 or until filled.
